

**WCSB Oil & Gas Royalty Income 2008-II Limited Partnership
Maximum Issue: \$40,000,000**

Calgary, Alberta November 3rd, 2008.

WCSB Oil & Gas Royalty Income 2008-II Limited Partnership ("the Partnership") is pleased to announce that it has filed a preliminary prospectus on October 24, 2008 relating to the initial public offering of units of the Partnership. The Offering is a \$40,000,000 maximum offering and its initial closing is expected to take place in December 2008.

Partnership Objectives.

The Partnership has been established to provide individual investors with a means of achieving income, potential capital appreciation, potential liquidity, and tax deductions through ownership in royalties on the production of oil & natural gas, while avoiding exposure to capital market volatility associated with securities of public energy issuers.

The Partnership's unique structure provides for 100% tax deductibility through investment in Subsidiary Companies formed specifically to enter into and finance joint ventures with established oil and gas companies. The terms of the joint ventures will entitle the Subsidiary Companies to Gross Over-Riding Royalties ("GORR's") on oil and gas production.

The Syndicate.

The Syndicate of Agents for the offering is led by Canaccord Adams and Dundee Securities Corp. and includes HSBC Securities (Canada) Inc., Blackmont Capital Inc., Raymond James Ltd., Manulife Securities Incorporated, M Partners Inc., Research Capital Corporation, Wellington West Capital Markets Inc., Acumen Capital, Industrial Alliance Securities Inc., Integral Wealth Securities Limited, Laurentian Bank Securities Inc., PI Financial Corp. and Rothenberg Capital Management.
